DR. SCUDDER KILLS HIMSELF.

He Was Charged with His Motherin-Law's Murder in Chicago.

Morphine Dealt Out in Small Portions Saved for a Fatal Dose.

CHICAGO, June 21.-Dr. Henry Martin Scudder, the famous physician, who stood charged with the murder of his mother-in-law, Mrs. Mary Dunton, died at the county jail from the effects of a dose of merphine, apparently self-administered, at an early hour this morn-The doctor had been in good spirits during

the day. He chatted pleasantly upon a va-riety of themes, and at night ate a hearty supper. After supper he seemed to be in a more talkative humor than usual, and bis tendencies ran to story and anecdote telling. At 8.30 the door of his cell was locked for the night. Soon afterwards two night warders heard a series of deep groans issuing from the cell, and on entering they discovered Dr. scudder in a gying condition. A physician was called, but his efforts were unavailing. A few moments after his arrival Dr. Scudder

According to the testimony of George Painter, a condemned murderer, who occupied a cell next to that of the doctor, the lat-ter was given small doses of morphine, and the supposition is that he had saved these portions till he had accumulated a sufficient quantity to end his life.

The object of the murder, it was claimed by the prosecution, was a determination to put Mrs. Dunton out of the way after having forged her will so that his wife would become her principal Mrs. Dunton's skull was ned by a heavy wooden club.

Insanity was the pica offered, and the case was several times continued in the criminal court to secure testimony on the point from his father, who was a missionary. His trial was set for July.

ANOTHER BROOKLYN FAIR,

Two Little Girls Arranged It and Made \$11. THE EVENING WORLD'S Sick Babies' Fund

receives another substantial increase to-day from a fair held recently in Brooklyn by two charming little ladies of the City of Churches. The fair was held June 11 in the dooryard of Miss Jennie A. Moller's home, 58 South Tenth street, and she and her friend, Effic L. Lewis, of 45 Ross street, arranged all the details of what resulted in a very substantial addition to the fund for New York's suffering

Master Willie N. Lewis, Effic's little brother, was the dorrkeeper, and he proudly announced that fact as the proceeds were turned over to the editor. Refreshments were served on the lawn at Jennie's home, dolls' clothes were sold and attractions served to bring the total receipts up to \$11.
